In setting new goals do you ever find yourself frustrated by patterns of self-sabotage? Do you see yourself as less able than the Better You™?

Well, the fact that you are reading this means you are one step closer to ending those frustrations and making the Better You™ a reality. And best of all, it won't cost you a thing*.

YOU ... are part of a select group of people who have been invited to take part in the acclaimed, 2^{1/2} day **A Better You™: A Guide to Those who Think They Have Inadequacies weekend** ... with regionally acclaimed expert in the field of self-help, Zach Lim... completely COMPLIMENTARY** ... as part of our Scholarship program (valued at £1888 for 2 tickets).

*Bear in mind that there is no such thing as free lunch.

**I will of course NOT be teaching you everything I know; that's for other seminars which you could attend for a nominal fee of £5000. Fret not if that's beyond your financial means; I know how to milk the cash cow and hence have written books and made audio CDs which could be yours for a special price of £195.

About Zach Lim

Zach Lim is the alter-ego of Zhixin Lim. He is an internationally acclaimed expert in unmasking hypocrites and sniffing out underhanded sales tactics and gimmicks.

As a Self-help purveyor, he considers himself the ultimate salesman. He sells directly to your innermost desire: your innate want to improve yourself. His modus operandi is pure brilliance and steep in manipulation. He will first highlight your inadequacies by asking questions you couldn't possibly say no to (Do you want to feel empowered?). He will then convince you that he has nothing but your best interest at heart and present the solution which you can get for a special price of £195.

And if you haven't yet realized, this is a satirical piece on purveyors of self-help who promise quick fixes in exchange of big wads of cash. And Zach is not really evil. Zhixin is the evil one.
